By G. A. LYNCH, *Administrative Officer.*

WASHINGTON, D. C.,
October 31, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: On December 7, 1933 you approved the Code of Fair Competition for the Excelsior and Excelsior Products Industry.

This is a report on an amendment to that Code. A Notice of Opportunity to be Heard on this Amendment was published on August 28, 1934. The Amendment provides that each member of the Industry shall pay an equitable contribution to the expenses of the maintenance of the Code Authority, and further provides that only members complying with the Code and contributing to the expenses of its administration, unless duly exempted, shall be entitled to participate in the selection of the Code Authority or to receive the benefit of its voluntary activities.

The Deputy Administrator in his final report to us on said Amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

We find that:

(a) The Amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restrictions of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Amendment and the Code as amended are not designed to, and will not, permit monopolies and monopolistic practices.

(d) The Amendment and the Code as amended are not designed to, and will not, eliminate, or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, therefore, we have approved this Amendment to the Code.

For the National Industrial Recovery Board:

G. A. LYNCH,
Administrative Officer.

OCTOBER 31, 1934.

AMENDMENT TO THE CODE OF FAIR COMPETITION FOR THE EXCELSIOR AND EXCELSIOR PRODUCTS INDUSTRY

Modify Article VI by deleting Section 1 (f) and substituting in lieu thereof the following:

(f) It being found necessary, in order to support the administration of this Code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

(A) To incur such reasonable obligations as are necessary and proper for the foregoing purposes and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code.

(B) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary, (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the Industry.

(C) After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contribution as above set forth by all such members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the Administrator. Only members of the Industry complying with the Code and contributing to the expenses of its administration as hereinabove provided, unless duly exempted from making such contributions, shall be entitled to participate in the selection of members of the Code Authority or to receive the benefit of its voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.

The Code Authority shall neither incur nor pay any obligation substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the total amount contained in the approved budget, except upon approval of the Administrator; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates, except those which the Administrator shall have so approved.
